New: IT-CMF - A Management Guide

- Based on the IT Capability Maturity Framework™ (IT-CMF™) 2nd edition

This management guide offers an introduction to the IT Capability Maturity Framework™ (IT-CMF™), 2nd edition. The IT-CMF offers a comprehensive suite of tried and tested practices, organizational assessment approaches, and improvement roadmaps covering key IT capabilities needed to optimize value and innovation in the IT function and the wider organization. It enables organizations to devise more robust strategies, make better-informed decisions, and perform more effectively, efficiently, and consistently.

Acknowledgement of Contributors to IT-CMF - are you listed?

We recently published our global list of contributors to the development of IT-CMF at www.ivi.ie/contributors. While we have gone to great lengths to ensure this page is accurate as possible, we would be delighted if you would check and let IVI@nuim.ie know if you or a colleague's name should be included. Thank you.
