IVI News Update

IVI Summit 2020

IVI are currently planning their IVI Summit for June 4th with an exciting line up of speakers. However, under the current circumstances we are investigating doing a virtual event to prepare for the eventuality of not hosting the Summit in Maynooth University.

Further details will follow shortly.

IVI runs Enterprise Architecture and BIM workshops

As a part of the 'Discovery for Innovation' series and followed by the success of previous workshops, IVI hosted two additional workshops on the following topics:

- **'Architecting the Enterprise with Agility and Resilience - What is the future of Enterprise Architecture?'** workshop held on the 19th of February 2020.
- **'Digital Transformation in the Construction Sector - Revisiting the Roadmap for 2025'** workshop held on the 26th February 2020.

The aim of these workshops was to revisit the digital transformation roadmap and to explore the opportunities for the respective industries and thus shaping the vision for 2025. [Read more](#)

Cyber, Data & Information Governance - Issues, Risks and Assurance

The Governance Forum met last month in Dublin where Prof. Brian Donnellan presented at an event on cyber, data and information governance. The event attracted a large number of attendees, reflecting the growing importance of the area for modern organisations. The forum has made presentations available on their [website](#).

Stay connected

Most staff are working remotely but business is ongoing in IVI. Stay safe and look after each other.
From all the IVI team.

Acknowledgement of Contributors to IT-CMF - are you listed?

Our global list of contributors to the development of IT-CMFs can be found at www.ivi.ie/contributors. While we have gone to great lengths to ensure this page is accurate as possible, we would be delighted if you would check and let IVI@nuim.ie know if you or a colleague's name should be included. Thank you.
