

IVI News Update

Upcoming Webinars: Introduction to IT-CMF & Technical Infrastructure Management (TIM)

Thanks to all who attended our webinars this month. We are delighted with the interest shown by people in finding out more about IT-CMF, and we're encouraged by the positive feedback that we have received.

Here are our webinars for the end of May & June:

Introduction to IT-CMF

[Thursday 31st May 10:00-11:00 IST](#)

Technical Infrastructure Management (TIM)

[Tuesday 26th June 3:30-4:30 IST](#)

[Wednesday 27th June 10:00-11:00 IST](#)

Know someone that would be interested? Feel free to forward this invite along to them.

SFA Annual Conference

IVI were delighted to attend the **SFA** Annual Conference on May 24th last week where we heard from small businesses about it being their 'Time to Transform' - exploring issues such as engaging customers online, digital capabilities and how small businesses have prepared for GDPR. Speaking with event attendees and exhibitors, it is apparent now more than ever that we need to enable small businesses to quickly assess where they are on their digital transformation journey, and identify where they need to be to remain competitive. Let us know if you'd like [to talk to us today](#) about how we can help your firm with its digital transformation journey and how it can maximise the value it gets from technology.

Announcing IVI's 2018 Summer School - Creative Thinking and Problem Solving for IT Management

The Innovation Value Institute is delighted to announce their second annual summer school, Creative Thinking and Problem Solving for IT Management Research. The event will take place in Maynooth University from 3rd to 7th September 2018, in the Innovation Value Institute facility on campus. [Read more](#)

New: IT-CMF - A Management Guide

- Based on the IT Capability Maturity Framework™ (IT-CMF™) 2nd edition

This management guide offers an introduction to the IT Capability Maturity Framework™ (IT-CMF™), 2nd edition. The IT-CMF offers a comprehensive suite of tried and tested practices, organizational assessment approaches, and improvement roadmaps covering key IT capabilities needed to optimize value and innovation in the IT function and the wider organization. It enables organizations to devise more robust strategies, make better-informed decisions, and perform more effectively, efficiently, and consistently.

Acknowledgement of Contributors to IT-CMF - are you listed?

We recently published our global list of contributors to the development of IT-CMF at www.ivi.ie/contributors. While we have gone to great lengths to ensure this page is accurate as possible, we would be delighted if you would check and let IVI@nuim.ie know if you or a colleague's name should be included. Thank you.
