IVI News Update

BNY Mellon Chief Information Officer named Recipient of Leader in IT Value Award 2015

Suresh Kumar, Senior Executive Vice President and Chief Information Officer of BNY Mellon has been named as the 2015 recipient of Ireland's prestigious Innovation Value Institute award which recognises outstanding achievements by individuals and organisations in achieving measurable value contribution from IT. Matt Craig, BNY Mellon Head of Performance & Value Management accepted the IVI 'Leader in IT Value Award' from Martin Delaney, IVI General Manager & Technology Leader on behalf of Suresh Kumar at the recent IVI Autumn Summit in Carton House, Maynooth. Innovation Management Masterclass - Build your Innovation Capability

The course is for innovation practitioners and senior managers with responsibility for innovation who wish to build their innovation skills and their organisation's innovation capability. It takes both a strategic and practitioner skills-based view of innovation and it includes extensive classroom exercises. [Read more](#)

Minister Bruton opens new €20 million Eolas building, which houses the new IVI offices

Minister for Jobs, Enterprise and Innovation Richard Bruton TD recently opened the new €20.6 million Eolas building at Maynooth University. The state-of-the-art facility will serve as a "research powerhouse" that will drive innovative teaching methods, foster collaboration with industry and deepen a culture of 'spin-out' companies, according to Maynooth University President, Professor Philip Nolan.
