Innovation Partnership Program Proves Talent Matters when You're Improving the Organization

This article was first published in July 2016, in BNY Mellon's 'Talent Matters', an internal newsletter focusing on talent management and employee engagement topics.

BNY Mellon is a recognized global leader in improving technology management practice, and recently completed an 18 month research study - the Innovation Partnership Program, or IPP- which sought to uncover how good they are at organizational improvement, and how they can get better.

The IPP team was Mark Pinkster and Matt Craig, of BNY Mellon, and Anna Browne, Laura McQuillan and Louise Veling, from the Innovation Value Institute (IVI) research team. This initiative was sponsored by BNY Mellon's CIO, Suresh Kumar, and Joe Duffy, Head of BNY Mellon in Ireland. [Read more](#)

IT-CMF Public Training dates announced October 18-20 and November 22-24 Register Now!

Do you have business challenges around providing the right technology for your team, changing your organisation to take advantage of Digital, or meeting your customers' expectations? Frameworks can provide answers to your questions, and the IT Capability Maturity Framework (IT-CMF) has been researched and designed to help maximise the business value of technology. A comprehensive understanding of the framework and the skills to apply it are essential to use IT-CMF and to implement a Capability Improvement Program. IT-CMF Certified Training is the best way to explore the framework and understand how it can help your organisation achieve its goals.

IVI is pleased to announce the launch of our enhanced IT-CMF Core Certified Training programme with a public course from 18-20 October 2016 in Maynooth University. This three-day classroom course provides a thorough grounding in the fundamentals of IT-CMF, expands your knowledge of the Framework, and shows you how to use IT-CMF artefacts to improve IT capability maturity in your organisation.

Places on this immersive and practical course are going fast; book your seat now. Contact IVI at info@ivi.ie or +353-1-708- 6931. [Read more](#)

Acknowledgement of Contributors to IT-CMF - Are You Listed?

We recently published our global list of contributors to the development of IT-CMF at www.ivi.ie/contributors. While we have gone to great lengths to ensure this page is accurate as possible, we would be delighted if you would check and let IVI@nuim.ie know if your or a colleague's name should be included. Thank you.
