

IVI News Update

IVI Autumn Summit 2018

Thanks to everyone who attended our IVI Autumn Summit on Wednesday 12th September 2018 in Croke Park. We hope everyone enjoyed the day and went home with at least one new nugget of inspiration.

We would especially like to thank our speakers; Mary Cleary (ICS), Alan Darcy (ANAM Technologies), John MacHale (NashTech Ireland), Dr. Iris Junglas (visiting Fulbright scholar at Maynooth University), Dr. Eileen Doherty (IVI), Sara Davidson (IVI Services) and Paul Goddard (IVI Services) for making it a great success.

To view their presentations please visit our [website](#).

This event took place in association with the CIO & IT Leader's Summit. Prof. Brian Donnellan, Vice President and Dean of International Affairs at Maynooth University and Academic Director of the Innovation Value Institute, was a Panel Member at the 'Government 3.0: Technology and the Public-Sector Transformation' Stream as part of their event.

Roundtable discussion in full flow

In addition, Laura Mc Quillan (Engage Hub), Graeme Clarke (SQS) and Louise Veling (IVI) led a very successful roundtable discussion focused on DevOps. Laura, Louise and Graeme were instrumental in creating our recently released [DevOps Effectiveness Assessment](#).

World Class partnership for IVI

[Anam](#) is delighted to announce a strategic partnership with the renowned [Innovation Value Institute \(IVI\)](#) at Maynooth University focused around innovation in Advanced Data Analytics, Artificial Intelligence, Machine Learning and Predictive SIM Box Detection. Backed by international industry leading experts, IVI has earned a world-class reputation for its work in the area of digital business transformation. [Read more](#)

Upcoming Webinars: Benefits Assessment and Realization (BAR)

Thanks to all who attended our webinars this month. We are delighted with the interest shown by people in finding out more about IT-CMF, and we're encouraged by the positive feedback that we have received.

Our webinars will continue in October:

Benefits Assessment and Realization (BAR)

[Tuesday Oct 23rd 3:30pm](#)

[Thursday Oct 25th 10:00am](#)

Know someone that would be interested? Feel free to forward this invite along to them.

IVI Research Fellow appointed President of Irish Fulbright Alumni

Sinéad Murnane, Research Fellow at Innovation Value Institute, has been appointed as the President of the Irish Fulbright Alumni Association (IFAA). Sinéad was awarded her Fulbright Scholarship to study and research in the US in 2010/11. The Fulbright Program is one of the most prestigious US international exchange programmes in the world, offering opportunities for students, scholars, and professionals to undertake postgraduate study, research, and teaching in 155 countries worldwide. The IFAA is a voluntary association of past and present recipients of Fulbright Scholarships to or from Ireland.

IVI & Tokyo Universities' Research Workshop: an opportunity to exchange ideas

On September 3rd & 4th 2018, IVI hosted researchers from Tokyo Institute of Technology and Tokyo City University, in a research workshop.

The intent of the workshop was to identify possible research collaborations by sharing participants' current research activities.

New: IT-CMF - A Management Guide

- Based on the IT Capability Maturity Framework™ (IT-CMF™) 2nd edition

This management guide offers an introduction to the IT Capability Maturity Framework™ (IT-CMF™), 2nd edition. The IT-CMF offers a comprehensive suite of tried and tested practices, organizational assessment approaches, and improvement roadmaps covering key IT capabilities needed to optimize value and innovation in the IT function and the wider organization. It enables organizations to devise more robust strategies, make better-informed decisions, and perform more effectively, efficiently, and consistently.

Acknowledgement of Contributors to IT-CMF - are you listed?

We recently published our global list of contributors to the development of IT-CMF at www.ivi.ie/contributors. While we have gone to great lengths to ensure this page is accurate as possible, we would be delighted if you would check and let IVI@nuim.ie know if you or a colleague's name should be included. Thank you.
